

EDEN PARK PRIMARY & NURSERY SCHOOL IMPROVEMENT PRIORITIES

Leadership and Management

Leadership supports the full engagement with the community, including parents, and local services

Staff are deployed and supported to deliver the best possible results.

The school enjoys a smooth transition

High quality continuous training for staff is in place that enhances staff expertise.

Staff wellbeing is at the heart of leadership decisions.

Quality of Education

The quality of teaching in the foundation subjects is improved and expectations raised.

The quality of education is improved through an enhanced use of Information Technology.

Improve learning of all through a fully developed intervention programme.

Support and improve the teaching of maths.

Improve the quality of the children's oracy skills.

Behaviour and Attitudes

The school trains and develops using the Trauma Informed Schools programme.

Behaviour reviews ensure that implementation matched intent.

Pupils continue to make a valued contribution to the school community.

Pupil attendance and punctuality remain high priority and school challenges when it is low.

Personal Development

Child welfare is promoted through a focus on physical health.

Further develop the core values and the fundamental British values.

Child wellbeing is promoted throughout every aspect of school

Cultural capital is promoted that ensures children are greater prepared to live in a culturally diverse Britain.

Early Years Education

Speech and language are developed through staff training and effective provision.

The curriculum supports transition and is progressive at all levels

Early maths is focused on to support children to remember long term.

Outdoor provision is further enhanced for all EYFS pupils.

Citizenship

Establish routines across the school to ensure the best opportunities are made for global citizenship understanding.

Create a reward system that acknowledges the children's engagement with their community.

The school actively works to support its disadvantaged families.
