## Praise for child's happiness

My children are both happy at this school.

On the whole Eden park is a very supportive school which includes to the parents.

My children have been so happy since starting in September.

Our child has settled really well into reception. The staff are very caring and professional and he really enjoys the range of activities and lesson planned. Thank you to all staff.

We had a small incident with a child not being very kind to X and this was dealt with quickly and fed back to us, and the child and X are now good friends.

We are very happy with the school. Our children are happy, well supported and enjoying learning

## Praise for Personal Development

Since starting Eden Park both my children have found a new confidence in themselves. The children are so happy.

Eden Park has gone above and beyond to make my children feel safe and teachers have been sensitive to their individual needs.

The nursery is incredible, I knew from my first visit it was where I wanted my son to go! From the education to the atmosphere it is brilliant.

## Praise for progress and Learning

X came into Nursery 18 months ago barely speaking and very shy, she is now a chatty and sociable little girl and that is all due to Eden Park.

Having had my children in other schools throughout the country (due to postings with job) I would like to say that as a comparison Eden Park is an excellent school, with very caring and understanding teachers who want the best for the pupils.

X is very settled in year X; the teachers have been supportive with home learning and settling him back in well after lockdown

I am generally very please with how he's come on, and he absolutely loves school. I'm glad we chose Eden Park, so thank you.

My child was at another school but since going to Eden Park she has come on in leaps and bounds Fantastic school x

## Praise for Staff

Frogs are fantastic!!

My child goes to XX class. The teacher (named) is amazing with the kids my child is so happy and eager to learn and doing superb, thank you.

Since starting in reception, she has shown that her reading and writing skills are above reception level, and X has recognised this quickly and is pushing her at every opportunity, and even giving her one on one time which is fantastic.

I cannot be more thankful to the staff who have done so much to ensure they are happy

I am impressed by the speed in which teachers respond to emails if there is an issue and problems are dealt with quickly.

We are really pleased with the two teachers our children have this year, especially X who shows genuine care towards the children in their class.

My Daughter is in her final year at Eden Park; after only moving here a couple of years ago; she has flourished here with the highest level of dedication and support from the staff! She will truly miss the Eden Park family and they will always be part of her heart 💖 Thank you!

## Thanks

A school that is second to none.

My boy is so settled and happy. Huge thankyou

Well done to the whole school, they are a credit to the Coast Academies Trust.

We can't thank you enough.

I just want to use this opportunity to thank you all for the hard work this year. I know how hard it has been for you all and I'm sure like many others you are fatigued and at times morale is not high. However, you don't let this show around the children and parents.

## Praise for the school's response to the pandemic

Very pleased with how the school has been handling the current crisis and that they have kept to the bubble system really well.

Really pleased with how school have dealt with COVID-19. It feels very safe for them to attend and they are happy to be back at school with their friends.

Regarding COVID-19, I have felt that the School has done an amazing job in very unique circumstances.

The school has adapted fabulously to the tough times we've been having this year. Thank you for everyone's amazing hard work.

The parent -Teacher communication has been very good and we are extremely happy, especially during these tough times with Covid-19.

Eden Park and have done a marvellous job dealing with the COVID-19 situation

The school has been clear on the measures that have been taken to keep the children safe.

Thank you too everyone at the school for working so hard to make things as normal as possible.

Just really to say how amazing the school has been in terms of the COVID-19 pandemic - thank you for looking after X. As a key worker child, then coming back at the end of year 1 and having been in school most of the time, I think you have done an amazing job.
