Thank you to all of the parents who completed the recent parent survey on Forms. In all, we received 95 forms and so each parent's view is rounded to 1%.

We are very pleased with the figures in this report, with 100% of our families believing that their child is doing well and 100% telling us their child feel safe. 98% of parents believe their child to be happy and 99% of parents feel informed. In every area, agree responses were by far the most common response.

In addition, we had a number of parents write lovely comments about the school and staff. Two parents made suggestions for improvement. I have typed all of these positive comments up and they can be found on the school website (all names removed.) I will be circulating comments and suggestions along with this survey to both the staff and Directors for consideration.

I thank every one of you that took the time to complete the survey. We greatly value your feedback and are so pleased that so many of you appreciate the job that we do with 99% of parents being willing to recommend us to others. Thank you so much!

Ian Morgan (Head of School)
