

BRIXHAM DEVELOPMENT ACADEMY

www.bda.class4kids.co.uk

In Association with Brixham Town FC

Eden Park Primary School Football Club

Eden Park Primary School and Brixham Development Academy have come together to deliver high-quality training sessions for all pupils. By attending these training sessions there will be opportunities for your child to develop their footballing skills, through our structured 6-week sessions.

These sessions will be every Tuesday after school from 3.15pm until 4:15pm and these sessions are open to both boys and girls. Parents please be aware that your child needs to be collected **as normal from their class** and brought to the session. Parents are also required to stay for the duration of the session and sign your child out at the end.

All players will need playing kit, waterproofs (weather dependent), flat shoes for indoors, boots, shin pads and a drink.

This course will be run for a 6-week block starting Tuesday 9th November and will cost £18 for the 6 weeks. Please be aware sessions will not be called off during the 6 weeks. If the weather is bad, we will do football related fun games indoors.

(Cheques should be made payable to Brixham Development Academy)

Any Questions or queries please don't hesitate to contact Shaun Langdon on the details below;
