

Topic: Geography

Term: Autumn 1

Year 1

Duration: 4 weeks

Eden Park Primary School Knowledge Organiser

Wonderful weather

The Powerful Knowledge we will take away from this Learning Enquiry (what will be learning)

- In the UK, there are 4 different seasons
- Each season has a different weather type
- Winter is cold, wet and windy
- Spring is when flowers bloom and lambs are born
- Summer, the temperature is hotter and has often less rain
- The weather becomes colder in Autumn and leaves fall off the trees.
- We wear different clothes in each season
- Where hot and cold areas of the world are in relation

KEY FACTS:

The months of the year:
January, February, March, April,
May, June, July, August,
September, October, November,
December.

The seasons of the UK: autumn,
winter, spring and summer

Home Learning:

Make a rain gauge
and measure rainfall
weekly over 3
weeks. Have a class
one also.
