Achievements

Here in the nursery, we get as excited as you do watching your child grow and develop.

We would love to celebrate all their achievements whether they happen at nursery or at home with you.

We would love to hear from you about the things your child achieves and enjoys. It helps us to create a picture of who your child really is!

WOW moments can be about anything of interest that you would like to share with us. For example, your child's favourite bedtime story, how they built a tall tower and many more.

Please remember that your child is unique. What he/she achieves for the first time is personal to them and should be recognised whenever it takes place, regardless of when their friends did something similar.

Your child's development is not a race.

Please hand a completed WOW to a member of staff whenever you would like to share the information.

Thank you for your co-operation!
