British Values at Eden Park ~ Reception

British Values
Democracy

During the year, we take part in class circle times where the children learn to take turns and voice our opinions.

During show and tell, we are encouraged to sit and listen respectfully to their friends and ask them kind questions

We are involved in class voting for example shared rewards for collecting their lolly sticks throughout the week, books to read, songs to sing and games to play.

British Values
Rule of Law

We use the school cloud/rainbow system which is ongoing to enforce good choices.

In PE we use their listening skills to listen to the rules to keep themselves safe.

In our Heroes topic the learn about policemen and talk about the laws.

We understand rules are there to keep us safe.

We know our actions have consequences.
