PRIOR KNOWLEDGE

New Powerful Knowledge

We will find out about the lives, careers and impact of significant explorers and pioneers.

-An explorer is a person who travels to or through an unfamiliar area to; learn about it, discuss, and examine it.

-A pioneer is one of the first to explore or settle in a new or unfamiliar area. A pioneer may also be the first to develop or apply a method, knowledge, or an activity.

-The age of exploration (the 15th-17th century) was when European countries sent people to discover new lands.

-Sir Francis Drake was the first Englishman to sail around the world.

-Neil Armstrong was the first man to walk on the moon.

-Amelia Earhart was an American Aviator. In 1928 she was the first woman to fly across the Atlantic
