The Powerful Knowledge we will take away from this Learning Enquiry (what will be learning)

We are on the pathway to discover what makes an artist and where does one's inspiration come from. During the learning enquiry, we will discover the works and techniques of famous artists who use expressionism within their work. From studying these artists in detail, we will then use our knowledge of self-portraits to design a portrait using expressionism. The knowledge and skills gained from our journey will enable us to analyse, make choices and explain the reasoning to our choices in creating our own art.
