Eden Park Primary School Knowledge Organiser

The powerful knowledge we will take away from this Learning Enquiry (what will we be learning)

- Children will be able to confidently talk about themselves in a positive light.
- Children will be able to express their feelings and think about how others might be feeling
- Children will be confident to try new activities.
- Children will use new vocabulary to voice emotions.
- Children will be confident to talk about home life, likes and dislikes.
- Children will begin to talk about the superhero values.
- Children will have an awareness of how other people live and our similarities and differences

Story texts:

- Worrysaurus <https://www.youtube.com/watch?v=WklyyxNKAL0&t=69s>
- The Boy Who Loved Everyone

- You Choose (picture book)
- Puffin Peter <https://www.youtube.com/watch?v=lvGmK6C9pEs>
- Rainbow Fish <https://www.youtube.com/watch?v=r9mryuEKkKc>

Maths's focus:

- Numbers to 5: Children will learn to recognise and count different representations of numbers up to 5 and use a five frame to help structure the counting and reasoning
- Comparing quantities: comparing two groups of objects and correctly identifying which has more, fewer or whether they have the same amount.

Literacy Focus:

- Introducing the children to Read Write Inc. in Reception
- Forming letters correctly
- Perfecting our name writing
- Labelling drawings of our family
- Learning how to segment and blend words in preparation for reading

Home Learning Task: Photos of you and your family

For the children's very first home learning task we would love a few photos of them. This can be when they were younger, photos on holiday, photos of family and friends, photos of hobbies etc. You can display these however you wish, for example a family tree, a photo book, or the children's drawings. These will be added to our new class display. We look forward to seeing their creativity!

Due in: Week beginning 16th October 2023

Key Vocabulary:

-comfort -concerned -scared -wellbeing -confidence -similarities -differences -plotted -faith -special -appearance -horizon -unique -loneliest

Home Learning Schedule- Reception

Homework is set on Tapestry every Friday and due to be completed by the following Friday

	Reading is an important skill which the children try so hard to earn. Any additional practice at home will really help the children. Reading stories to your child will also help to develop a love of reading. Your child will take home a new library book each Monday alongside a new Read Write Inc. book. Books need to be returned on Monday. Your child will need to return their book before they will receive a new one. Your child needs their book bag each day.
	White Rose 1 minute Maths App: This app is a fantastic resource for the children to use and perfect their Maths skills. We would love the children to complete at least 1 minute of Maths activities on the app per day.
