It has been fantastic to see everyone settling back in this week! The children have enjoyed getting to know the adults they are working with this year, and the adults have felt the same. Thank you to all members of our community for your support in making the first week back a marvellous success, and on a personal note, a heartfelt thank you for making me feel so welcome. When I have been out on the gate, it has been lovely getting to meet people. I look forward to getting to know you all better as the year goes on.

Have a brilliant weekend.

Mr Wallis

The Saga of the Car Gate!

As you are aware, the gate is an ongoing issue. Whilst it may take a little longer than anticipated to fix, we thank you in advance for your ongoing patience and support. When we have updates we will inform you.

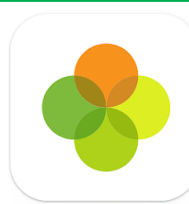

The Cabin

Some of the pastoral team are now working in the Cabin outside the Key Stage 1 building, which means they are more accessible to the children.

Whilst we welcome you to meet us, please ensure you have an arranged appointment as their schedules are very busy.

Arbor App

We have moved away from our existing systems and are now operating via the Arbor App. We can see that the vast majority of our families have already started to access this – thank you. If you have not yet done so, please download the app (much friendlier than the web browser version), as it will be the method via which we communicate. Should you experience any problems please see a member of the office team.
