15.9.23

Well done everyone that is the first full week back finished! The children are establishing routines and settling well, getting to know the new adults around them. Thank you to the community for ensuring children are in on time, as this really helps them settle into the day smoothly.

I have been popping into classes, and have seen some wonderful work going on. The children are showing themselves to be amazing learners, and really demonstrating the school values. We have had our first congratulations assembly today, so well done to all who got a certificate. I look forward to seeing new faces for them next week!

Have a wonderful weekend all, and we can't wait to see you all on Monday for what I am sure will be another great week.

Mr Wallis

## Congratulations to Roman!

Roman, in Stingrays, has just completed the South West Coast path. This is a huge 630 mile trail that goes from Minehead all the way round to Poole. He started the walk when he was just 7 years old and has been walking on weekends and during the holidays to complete it. The path is no easy feat as the hills and climbs in the path are the same as walking Mount Everest 4 times! Even more impressive is the fact that he is thought to be the youngest person to have ever completed every step of this path. Roman has been raising money for the South West Coast Path association and has so far raised just over £1100.

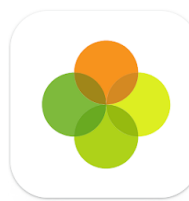

## Parking

Please can everyone be mindful of parking around the local area. We understand it is tricky, but we have received some emails this week around residents being accidentally blocked in. Thank you for your cooperation.

## Arbor App

If you have not yet done so, please download the app (much friendlier than the web browser version), as it will be the method via which we communicate. Should you experience any problems please see a member of the office team.

For any advice or support please visit [Family Hub \(torbayfamilyhub.org.uk\)](https://torbayfamilyhub.org.uk)

There are a range of services and support avenues to explore all for free! See the website for more information. This is across the Torbay area, with many services offering local hubs right here in Brixham.

## Successful Bid

Well done to Mrs McCrum who has successfully managed to secure 6 balance bikes and 6 helmets (along with some training), worth in excess of £2000, for free for the school! This will only serve to enhance the EYFS beyond the amazing provision it already is!
