Happy Friday one and all!

Lots of great things are happening here at Eden Park! Year 5 had an amazing day out at the National Marine Aquarium as part of STEM FEST recently. The trip was enjoyed by all and we even received some much appreciated feedback about how lovely the children were.

This week I have the privilege of giving out a record number of 'Values Certificates' to children who are consistently showing the school values. Well done all—it was amazing to see so many children on stage as part of our Celebration Assembly on Friday.

We have spaces on our upcoming new starters tours—if you know of anyone with children starting school in September please direct them towards us for a visit, we would love to meet them.

Coming up soon are school photos, these are the individual and family ones not the whole class ones. These are on the 20th October.

Have a fantastic weekend and we can't wait to see everyone again on Monday.

## Torbay Council, SEND Family Voice Torbay and the NHS—FREE Roadshow

Come along to the SEND Roadshow, hosted by Eden Park Primary and Nursery School. You will be able to find out about how the local area works to meet your child or young person's Special Educational Needs or Disability (SEND).

Learn more about our new SEND Provision and Support toolkits: <https://www.torbay.gov.uk/graduated-response/> which help to get the Right Support, in the Right Place at the Right Time. You'll also get the chance to ask us your questions about SEND.

We look forward to seeing you there!

**Prospective Foundation Tours** — We have many tour dates for those considering joining us in Reception next year. Please phone the school office to book on one of our tour dates. If you know of anyone in the area with children of school age in September, please direct them to our Facebook pages and tour dates. We would love to see them and hopefully welcome them to the Eden Park family.
