WEEK 4

What a fun week we have had!

The Year 5 children had their outcome in the hall and Year 2 had theirs over in their building. It was lovely to see so many families in attendance at these events. The children love sharing their work, particularly Year 2, as anytime this week I saw a child from that year group, that was all they could talk about!

Thank you to all who attended and contributed at our school memorial service for Bobby on Tuesday afternoon. It was so heart-warming to see such a turnout for a truly special boy who will be sorely missed. From the donations we will be looking to create a permanent memorial at school in the future - we will keep you posted.

With only two weeks left of term, check out the key dates page to ensure you don't miss out on anything. We still have more outcomes and the Year 4 residential to come - lots to keep us occupied!

Best Wishes
Mr Wallis

BEST BIT!

Our best bit comes from Skye Andrews and Chloe Gill in Year 4, who had this to say about what their favourite moment has been recently, when they came to share their work with me in the office!

Skye: 'My favourite bit was the writing because we were learning about animals.'

Chloe: 'Maths has been my favourite because I like doing maths tests especially rounding numbers.'

FOUNDATION FUN!

The children have had so much fun the past few weeks practicing their football skills.

Coach Lily and Coach Jake have been very impressed with the children's ability to pick up the techniques. They have fantastic ball control and love their PE lessons.
