

Topic- Get Set Grow	Term- Summer 1	Year- Reception	Duration- 6 weeks
---------------------	----------------	-----------------	-------------------

Eden Park Primary School Knowledge Organiser

The powerful knowledge we will take away from this Learning Enquiry (what will we be learning)

- The ability to carefully respect and look after the world around them whilst exploring and learning about it.
- Use a variety of different and new language to describe their natural surroundings.
- Begin to understand how plants need nurture to grow
- Be able to explore the natural world around them, making observations and drawing pictures of animals and plants.

Story texts:

- Tad: [Story Time: Tad - YouTube](#)
- Oi Frog: [Oi Frog - Watch this fun children's story book read aloud :\) - YouTube](#)
- Freddie the Frog: [Freddie the Frog - English Short Story for Toddlers/Kids -Author: Axel Scheffler - YouTube](#)
- Oliver's Vegetables: [Oliver's Vegetables | Story About Healthy Eating For Children | Learn From Home | Read Aloud - YouTube](#)
- The Enormous Turnip: [The Enormous Turnip \(Retold by Irene Yates\) | Read Aloud | Classic Tales - YouTube](#)

Maths's focus:

- Counting on and counting back, for example starting at a given number and counting on
- Numbers to 20
- Numerical patterns e.g., doubling, halving, sharing, odds and evens

Literacy Focus:

- Create a new version of our story focus e.g. a humungous carrot, a gigantic potato...
- Write a set of instructions for making a sandwich.
- Creating observational drawing of a flower and labelling parts of them.

Home Learning Task:

Peculiar Plants: Can you use your Crystal Creativity to create a peculiar plant pot? Let your imagination go wild! We would love to decorate our Eden Explorers Garden with your wonderful creations. Here are a few ideas:

Please bring in your creations on the week beginning Monday 20th May.

Key Vocabulary:

Life cycle, growth, murky, frog spawn, croak, froglet, shallow, webbed, coil, heaved.

Dates for your diary:

Get Set Grow Outcome: Tuesday 21st May at 2pm

Home Learning Schedule- Reception

Homework is set on a Friday and due to be completed by the following Friday.

Week beginning	Activity	Curriculum area
15/04/24	Learn the counting down from 20 song. Add a video on to Tapestry so we can share your achievement with the class. https://www.youtube.com/watch?time_continue=71&v=8hD26XpuUCc&feature=emb_logo	Maths & Communication and Language
22/04/24	What's in your garden? Look at what lives and grows in your garden. Can you draw a picture of your garden or an animal/plant you have found? Now try to write a sentence about your drawing. Don't forget to bring your home learning into the class so we can display it for all to see.	Understanding the World & Literacy
29/04/24 	Bake your own double cookies using strawberry laces, smarties, biscuits, and icing sugar. Practice your double facts by making doubles cookies. If you want an extra challenge, try doubles to 10!	Maths & Expressive Arts and Design
06/05/24	Making vegetable soup: Can you follow the recipe to make yummy vegetable soup? Why not have a go at writing your own recipe? Don't forget to add photos onto Tapestry.	Literacy & Physical Development
13/05/24	Make a healthy plate: Can you make a healthy plate? Talk to your grown up about the food which are healthy and unhealthy for our bodies and teeth.	Personal, Social and Emotional Development
20/05/24	'Peculiar Plants' Home Learning task due in (see above).	Understanding the World & Expressive Arts and Design
	Reading is an important skill which the children try so hard to earn. Any additional practice at home will really help the children. Reading stories to your child will also help to develop a love of reading. Your child will take home a new library book each Monday alongside a new Read Write Inc. book. Books need to be returned on Monday. Your child will need to return their book before they will receive a new one. Your child needs their book bag each day.	

White Rose 1 minute Maths App: This app is a fantastic resource for the children to use and perfect their Maths skills. We would love the children to complete at least 1 minute of Maths activities on the app per day.
