Our School

Eden Park Primary School offers you a happy, exciting learning environment where we develop our own ideas in a fun and exciting way.

Around our school we have fun play equipment and various learning areas. We have a Wild For Learning area, Bee and Butterfly Garden with ponds, a Sensory Garden and an amazing pizza oven. Surprisingly, we have a chicken coop with adorable chickens.

Our school class names are the names of animals and insects.

We have a radio studio where we play music to our playground at lunchtimes for us to enjoy. Our Learning Experiences are exciting and fun-filled. We have fab learning outcomes e.g. Milkshake Maths, Whodunnit, Location, Location, Location, Art Attack, The Really Wild Show and many more.

Rewards and Homework

Throughout our school we have numerous rewards for success. We have "Incredipoints" where we collect points by following our school values and working hard to earn a reward which might be a party or a school trip. We also have a weekly awards assembly where we reward success.

Interestingly, we have homework rewards where you can obtain a small prize for completing weekly homework. We also have a topic home learning task where we can be creative in learning more about our topic.

Assemblies

At Eden Park we have 3 interesting assemblies each week. On Monday we have our Values Assembly where we learn about our school value super heroes:

Roger Respect - helps us to respect others by listening and treating others as you would like to be treated.

Toby Teamwork- teaches us how to work as a team and be a good team member.

Crystal Creativity- shows us how to use our creative side by encouraging us to develop our smart minds.

Isabelle Independence- aims to make us independent learners.

On Wednesdays we have our singing assembly where our school is alive with children's happy voices.

Friday is our Awards Assembly where we celebrate our achievements throughout our school. We have Head Teachers Awards, Individual Awards, Hero Awards and Class Awards. Parents of children who are receiving an award are invited to celebrate with us.

Residentials

Interestingly, our school offers amazing residentials throughout Key Stage 2. We offer trips to exciting locations like Dartmoor and Start Bay, where children can experience awesome kayaking, caving and rock-climbing and other mind-blowing activities such as beach art, nature walks and other beach activities.

Break-time & Lunchtime

Fortunately, our school offers toast [10p] milkshake [15p] at break time.

We have a rota which is a fair way of giving all of us different areas of the playground to play in.

At lunchtime we offer either a hot healthy meal or a packed lunch.

After lunch we can either play outside on our adventure play equipment or we can choose to play Sumdog which is an online maths game program on our computers.

P.E.

Our school aims to make sports fun for everyone . We offer a wide variety of cool sports during our PE sessions. We also participate in sports festivals where we compete against other schools in our local area. We have competed in archery, cricket, and The Flames Festival recently.

School Clubs

Our school offers a vast variety of clubs. Many of our clubs are run both before and after school.

We offer an early morning Breakfast Club where parents can leave their children in safe hands to have breakfast and have fun before school.

On Fridays we run Stage Struck where we show our creative abilities by singing and performing. We run various sporty clubs such as football and gymnastics. See our website for our full range of clubs.

Computing

Amazingly our school is equipped with a large variety of ICT equipment. Each class has iPads, net books and a class computer. We have both a TV and a radio studio. Our practical areas also have PCs that we can use during break time and lunch time to complete homework and access Sumdog.

Eden Park Primary School

We all like being part of Eden Park Primary School very much and think it is a great place to learn.

We all look forward to meeting you and becoming friends should you wish to come and join us one day soon!

See you here!
