Thank you to all of the parents who completed the recent parent survey. In all, we received 150 forms over the two evenings so each parent each parents view is 0.66%. This has been rounded to 0.7% for ease.

We are delighted with the headline figures in this report, with 100% of our families believing that their child is happy, safe, working hard and is well looked after. No form disagreed that leadership was effective, or that their child was making progress. This year, no form put “strongly disagree” for any of the statements.

In every area, “strongly agree” was by far the most common response and “agree” percentages were at least 97% for every statement.

Of all the forms, 88 put “strongly agree” for EVERY statement.

54 families also chose to write a comment. Overall, we were also delighted with these with so many parents writing lovely things about the school and individuals within it. I have typed all of these positive comments up and they can be found on the school website (all names removed).

We had 3 comments that suggested improvement. I will be circulating all comments along with this survey to both the staff and directors for consideration.

I thank every one of you that took the time to complete the survey for us. We greatly value your feedback and are so pleased that so many of you appreciate the job that we do.

Ian Morgan (Head of School)
