Dear Parents/Carers,

Please find attached the Club Activities for the Summer Term. Your child does not need a permission slip to attend the club of his/her choice, they will be registered when they first attend. For some clubs places are limited, and your child will need to confirm their place with the staff members listed before turning up. Please note that start dates for each club will vary.

Teachers and staff would greatly appreciate if you could ensure that your child is committed once they have started a club.

In addition to the clubs listed, we are able to offer the following music tuition – guitar, drums, woodwind, keyboard/piano. If you are interested in your child taking instrument lessons, please contact the school office.
