

## LEARNING EXPERIENCE: BRIXHAM AND BEYOND...

2018/19

SUMMER 2

### Step inside our learning...

*During our final half term, the children will be immersed in the topic 'Brixham and Beyond'. This topic will allow us to explore the children's home town of Brixham as well as many other exciting places, allowing children to ask questions and develop their imaginations. Firstly we will be starting off with an exciting hook, where children will be meeting sea creatures, straight off of the boats in Brixham! Whilst exploring our local area we hope to visit the beach and explore the importance of looking after them. As we explore places further away, we will be watching lots of videos and using our imaginations to explore space, under the sea and places of other cultures such as Asia!*

### Our Learning Values this half term are...

#### **Isabelle Independence:**

The children will be starting their transitions into year 1 this term and will have to show off their 'Isabelle Independence' skills, as they meet new teachers and explore new classrooms.

#### **Playing and Exploring (Explorosaur):**

This term children will be 'explorosaurus' as they explore new places, new classrooms, new teachers and new routines.
