

LEARNING EXPERIENCE: ROAR

2019/20

AUTUMN TERM 1

Step inside our learning...

During the first half term, we will be focussing on settling the children into their new classrooms. We will support the children through providing lots of activities that they can get stuck into, supporting the development of confidence as well as helping them to build new friendships.

Our first learning experience in Reception is called 'Roar' and the children in Reception will be immersing themselves in activities involving animals and dinosaurs, even getting the chance to get up close to real animals – with a visit from 'Animal HQ'.

Our Learning Values this half term are...

Isabelle Independence:

We will be developing our independence skills everyday by coming into the classroom by ourselves, putting our belongings away independently and developing new friendships.

Playing and Exploring (Explorosaur):

We will be focussing on 'playing and exploring', whilst engaging in lots of activities alongside new friends.

Reception Phase Leader:

Miss Gemma Clarke

Please refer to school website for parent information and ways to support your child or ask your child's teacher.

<http://www.eppsa.org.uk>

Home Learning:

Your child will be given a 'home learning' task every Friday, which you will find on Tapestry. These will be linked to different areas of the curriculum each week and will involve a variety of skills for your child to practice at home. We would love to see your children's learning at home, which can be shared by you on Tapestry. Please see your child's class teacher for more information

Regular reading at home is essential for the child's progress. Please support your child by reading books daily with your child and ensure this is noted inside your child's home learning book.

Diary Dates
