Our Atlas of Adventures Begins!

To kick off our new learning experience "Atlas of Adventures", this week, Year 3 and 4 were told to put their Crystal Creativity to the ultimate test. Their task was, in groups, to create their own country! This included: the shape of it, the name of it, the geographical features, the animals in which would inhabit there, the names of the cities, the climate, the holiday interests and the dangers. Along with many more individual innovations.

We were SO impressed with the children as they really showed us just how imaginative they could be. A fantastic hook which started our adventure off wonderfully.

For security purposes, all gates will now be locked by 9:05am prompt. Classrooms are open from 8:45-9:00am for drop off. Thank you for your co-operation.

Stitch in Time

Key Stage One have had an exciting week back filled with making Elizabethan Ruffs and learning how to sew a simple running stitch. This is all part of their new learning experience 'Stitch in Time' where the children will become fashion designers and create their own t-shirt inspired by a particular era. E.g. Elizabethan, Victorian, 1960s etc. The children have already learnt lots of new historical facts which they have been keen to share with teachers and friends around the school. At the end of the half term, the children will showcase their Crystal Creativity skills in Eden Park's very own runway.

Stage Struck announce their new show for 2020 "#ClassofRock" . We are going to put on a show with famous rock music, telling the story of a supply teacher who lets it all get noisy! If you are in Key Stage Two and want to be involved come to "Stage Struck" every Tuesday in the Hall from 3:30-4:30. See you next week!!

We currently have a permanent vacancy for a Nursery Supervisor to commence as soon as possible. The post will be based in our Tadpoles Nursery provision for 2-3 year olds. This exciting opportunity will require the postholder to have day to day responsibility for the running of the setting, including the daily management and leadership of the nursery staff, with full support being provided by our Nursery Phase Leader. The contract is based on 36.5 hours per week, Monday to Friday, term time only. The closing date for completed applications is 9:00am on Friday 17th January 2020. For further information regarding this role, please visit the Vacancies section at www.coastacademies.org.uk, or email hr@coastacademies.org.uk.

PARKING

Following various complaints from the residents living close to the school, we politely ask parents/carers that when parking in the surrounding areas (Drew Street/Eden Park/Cross Park/Dashpers), that they are considerate to our neighbours who may need to leave their property in an emergency or for an appointment, and also to our pupils and their families. PLEASE DO NOT block driveways, mount pavements/grass verges or park on the double yellow lines/yellow school entrance markings.

Our priority is to keep children and their families safe, as well as maintain a positive relationship with our neighbours. We thank you for your co-operation.

And Finally...One of our pupils asked his Nan why she had a picture of Mr Hunt on her fridge. It was in fact Prince Harry!...*Lux Morgan*
